I-cord Triple Knot Necklace

Pattern by : Ajeng Sitoresmi

Yarn = any bulky yarn that suitable for 5.5 mm (US 9), sample used a leftover of Ice Yarns Akwool Bulky (100gr/140m)

Materials = 2 Double Pointed Needles (DPN) 5.5 mm (US 9), 1 small shank button, crochet hook number 4 (E)

Gauge = not important

Abbreviation (open search engine or youtube for more details) =

- CO = cast on
- Sts = stitches
- DPN = double pointed needles
- *i-cord* = without turning, knit all sts, then again without turning, move the sts into opposite side of the DPN

Pattern:

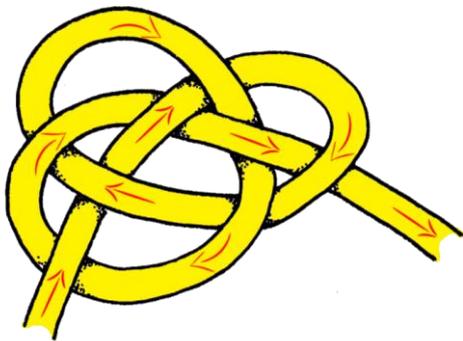

CO: 3 sts

make *i-cord* for 125 cm.

leave about 20 cm of yarn before cut it, pull the yarn into the sts, fasten off.

Make the necklace:

start to make loops like picture below, 3 times.

Make sure that the remaining *i-cord* divided evenly (about 25 cm each side)

Finishing :

In one of the end, make 5 chain using crochet hook number 4 (E). Tie the end of the chain into the beginning of the chain to make a loop.

In other end, use the loose yarn to sew the shank button.

Weave the end nicely (hide the loose yarn inside the *i-cord*).

Your necklace is done! ^^

* * *
